

USING GIS IN THE FIELD

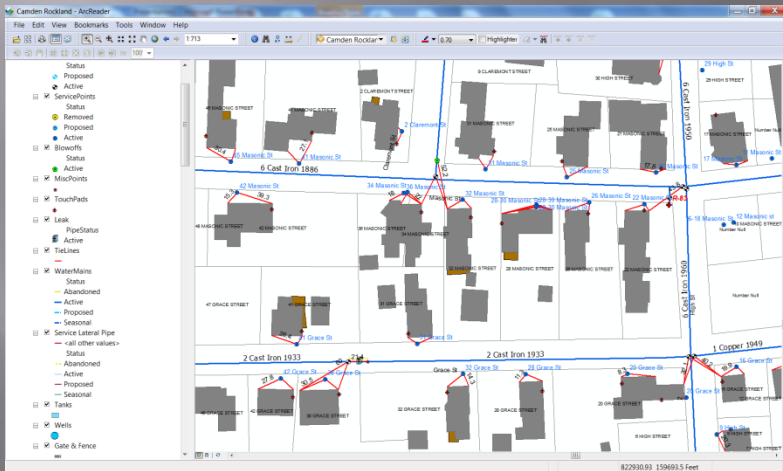

Mike Cummons

Maine Water Company

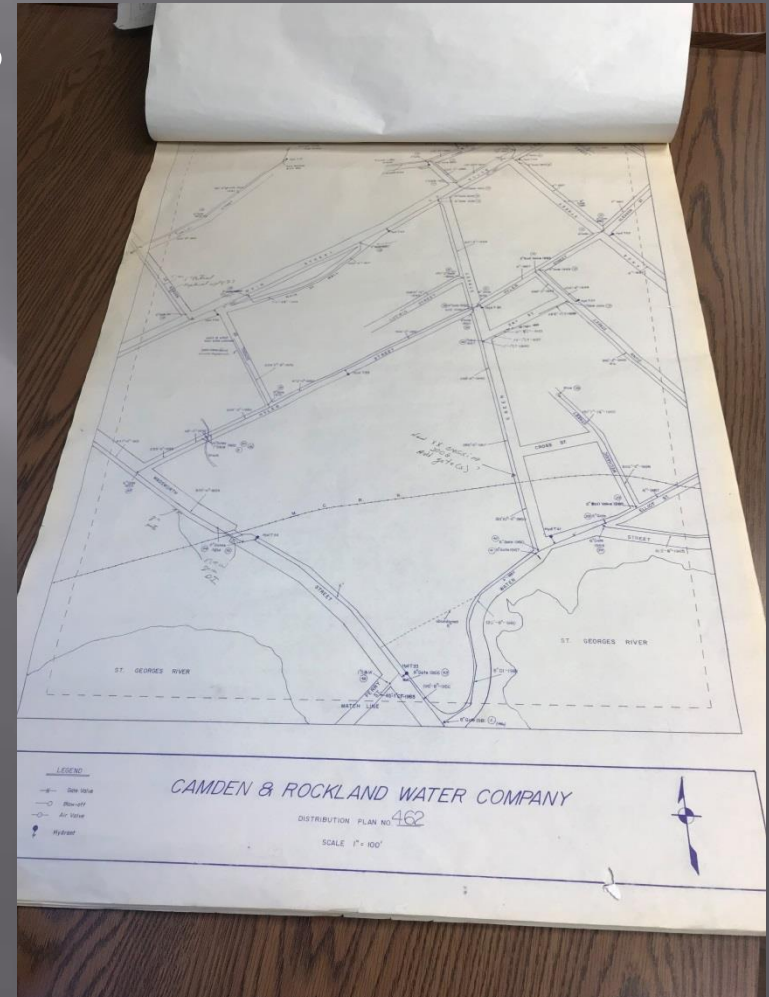

My Experience With GIS

- ▣ Building GIS
- ▣ Using in the field
- ▣ Water Main Replacement
- ▣ Sharing Maps and Data

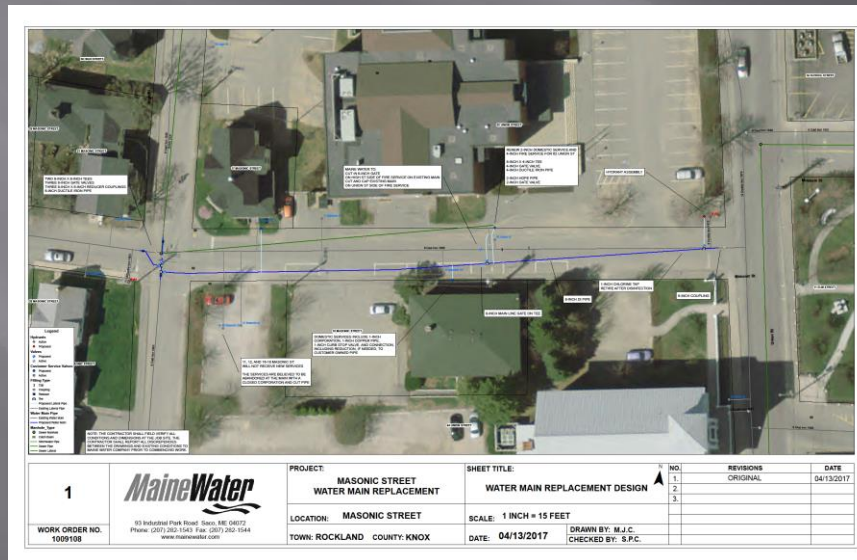

Employee Engagement

- ▣ Why are we doing this?
- ▣ How can I help?
- ▣ Technology Challenges
- ▣ Hold Accountable
- ▣ BE RESPONSIVE
- ▣ Train others be leaders

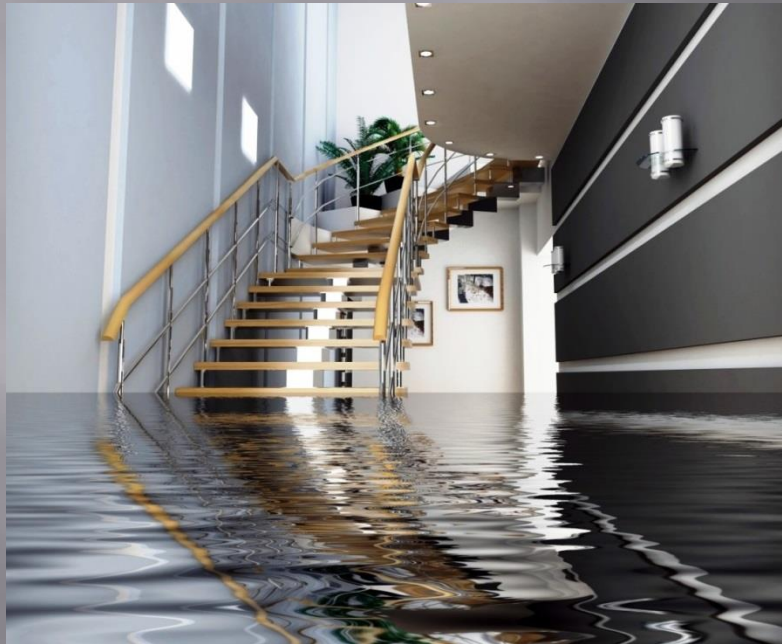

Benefits

- ▣ Better Records
- ▣ Employee Ownership of Data and Maps
- ▣ In-house Water Main Replacement Design
- ▣ Built for the Future

“What if I get the call?”

- ▣ Keep the End User in Mind!

Thank you!
