

MAINE WATER UTILITIES SCHOLARSHIP FUND SCHOLARSHIP APPLICATION INFORMATION

- PURPOSE:** To encourage and promote the pursuit of a career in Maine's water and wastewater profession
- DEADLINE:** December 1st, annually
- AMOUNT OF AWARD:** Minimum \$1,000 scholarships – the number and value may fluctuate annually as funding allows
- SELECTION PROCESS:** The recipients will be selected by the Maine Water Utility Scholarship Fund Committee
- TERMS OF PAYMENT:** The scholarships will be payable after successful completion of the first semester at an undergraduate institution of learning. This is a one-time payment and is non-renewable.

SCHOLARSHIPS:

Judy Wallingford Scholarship

This scholarship is sponsored by the Maine Water Company in recognition of Judy Wallingford's distinguished career of service to Maine customers and communities as President of Maine Water Company from 1992 to 2017 and as President of the Maine Water Utilities Association in 2005.

Specific Eligibility/Selection Criteria:

- Enrolled in a secondary education program such as environmental studies, environmental or civil engineering, water resource management or other program related to the water works profession or considered as beneficial to water resource management in Maine
- Pursuing career in profession focused on the protection and sustainable use of natural water resources
- Based on merit, character and need, regardless of field of study, with preference given to female candidates

SCHOLARSHIPS (CONTINUED):

Madeleine A. Storer and Peter A. Lancaster Scholarships

These scholarships are sponsored by the Maine Water Utilities Association and its supporting members.

The Madeleine A. Storer scholarship is in memory of Madeleine Storer, who was instrumental in the formation of the committee that raises funds annually to make the scholarship possible.

The Peter A. Lancaster scholarship commemorates the life and work of the Bangor Water District's late construction supervisor, Peter Lancaster.

Specific Eligibility/Selection Criteria:

- Enrolled at an accredited secondary educational institution
- Previous intern experience at a water or water and wastewater facility
- Acceptable level of academic achievement
- Expressed interest in pursuing a career in the water or wastewater field
