

# Technical Maintenance Technician (Electrical/Mechanical)

[Portland Water District](#) | Portland, ME

Join our team to deliver two of the most important public health and environmentally important services in the world-- delivering pure, healthy drinking water and removing pollution from wastewater and safely releasing cleaned water into the aquatic environment.

The **Portland Water District's** employees provide drinking water to over 200,000 people in 11 communities in southern Maine, and wastewater collection and treatment services to businesses and residents in 6 communities.

If you have strong mechanical and electrical skills, possess a State of Maine Journeyman's Electrical License, this exciting opportunity may be for you. Become part of our team of operators and maintenance professionals that perform preventive maintenance along with innovative work that keeps our high-tech facilities operating to deliver our essential services. As part of our team, you will make a difference in our community and the environment that makes Maine such a special place to live and work.

Probationary rate of \$28.09 per hour – after successful completion of 6 month probation, \$29.57 per hour!! Check out our excellent benefits in the Benefit Guide on our website!!
