

Town of Yarmouth
Wastewater Department
Wastewater Treatment Plant Superintendent

Description: The Town of Yarmouth is currently accepting applications for the position of Wastewater Treatment Plant Superintendent. The position requires a variety of management, oversight, and supervisory skills as well as technical and administrative work in the leadership, organization, planning, construction, operation, repair, maintenance, and replacement of municipal wastewater collection and treatment systems as well as stormwater coordination and collaboration.

Requirements: Experience in the management, supervision and licensing of the operation, maintenance and repair of wastewater treatment plant equipment, systems, and physical plant as well as operation and maintenance of Department pump stations and sewer collection system. Position requires a Class A CDL, a State of Maine Class III Wastewater Treatment Plant License, a positive and professional work ethic, and a high school diploma or equivalent supplemented by five (5) years of experience in a wastewater utility or equivalent combination of education and experience.

Salary and Benefits: Salary range is \$75,000 to \$85,000 per year and requires the successful completion of a six (6) month probationary period. Position includes an excellent benefit package, paid training, paid time off and safe work environment.

To Apply: Send application and resume to Steven S. Johnson, P.E., Town Engineer, 200 Main Street, Yarmouth, Maine 04096; or e-mail HR@yarmouth.me.us.

Application and Job Description are available at the Yarmouth Town Hall or at
www.yarmouth.me.us

Applications will be accepted until the position is filled.
The Town of Yarmouth is an equal opportunity employer.
